Arabian Horse Club of Connecticut, INC.

From the ancient deserts of the Middle East evolved the oldest known breed of riding horse, the Arabian. Now it is one of the most popular breeds in America. With their incredible stamina, gentle disposition, and intelligence, riders excel in most equine sports and activities.

# The Arabian horse...

# ...not just for show!

The **Arabian Horse Club of Connecticut (AHCC)** was formed more than 40 years ago and is the largest recognized Arabian club in Connecticut! The **AHCC** was developed to help promote, encourage, and stimulate interest in the outstanding qualities of the Arabian and Half-Arabian horse, and to have fun. To be a member of the **AHCC** you don't have to own or show an Arabian or Half-Arabian, you just have to love the breed.

Members of the **AHCC** are involved in many activities that help them develop their particular interests and gain a better understanding and appreciation of the breed they have come to love. No matter what

your interest, whether it be the show ring, out on the trails, breeding, or you just like the Arabian horse, the **AHCC** tries to provide something for everyone!

The **AHCC's** parent organization is the Arabian Horse Association (**AHA**). The **AHCC** offers several memberships to choose from. Some are affiliated with **AHA**, and offer you all of the benefits of **both AHA** and the **AHCC**. You can also join only the **AHCC**. Membership in the **AHCC** is open to anyone having an appreciation and desire to know more about the breed. Decide which membership will meet your specific needs.
